# THE ARTICLES FOR THIS MONTH

## TECHNICAL MEETINGS

WA5DJJ

On the 2nd and 4th Thursdays of the month we are starting Beginner/Advanced Technical Meetings. We will meet for about two hours beginning at 7:00 PM at the clubhouse on Wilt Avenue. The first meeting will be on January 12th with the topic of coax and the second meeting on January 26th with a topic of antennas. Topic discussions are planned for the first hour or so then open the meeting to discuss other subjects, show and tell items, Elmer helps or requests, or similar items. This is planned as a technical discussion group that is open to all Radio Amateurs, Members/non Members alike, to provide technical assistance in getting on the air, improving your station, adding additional equipment or bands of operation, getting on the air with a new mode, or similar questions. This group will be moderated by Dave Hassall WA5DJJ and others. Hope to see you there.

## CHRISTMAS DINNER

### KD5HZI

Hello all and happy holidays. I wanted to first say what a good time my wife and I had at the club Christmas dinner at Chilito's. I was very impressed with the number of people attending. I counted thirty-one people, and everybody was on time and in very good spirits. Jack and I handed out the new club shirts to those who ordered and were there. The food was great with something for every taste. Service was very good and so was the price. I believe everyone enjoyed themselves. I am looking forward to next year. If you missed it, you missed a good one. I am sure Cash will have something else just as good planned next year.

## CLUB INFORMATION

The MVRC Clubhouse is located at the intersection of Wilt and Jefferson in Hacienda Heights. To find the clubhouse, set your destination on your GPS receiver as 32 degrees 22.961 minutes and -106 degrees 41.44 minutes. If you don't own a gps, take the Porter exit on US 70. It is about 5 miles from the I 25 interchange, near the firehouse. Almost immediately south of the south frontage road on the south side of US 70, turn left toward the mountains until you come to Wilt. Turn right. There is a jog in the road, but at 0.35 miles you should come to Jefferson. If you can't see the tower and beam, you shouldn't be driving. The treasurer would be delighted to receive your contribution for landscaping and furnishing.
